

Dear WPS Parents/Guardians,

We have recently posted documents on our website that provide parents and students access to a variety of enrichment activities that can be used during this extended school closure. Per the guidance from the Massachusetts Department of Elementary and Secondary Education, these activities are not required, nor will they be collected for credit. The resources have been posted in two distinct files, one for grades PK-5 and another for grades 6-12. Each document includes academic and social emotional learning resources.

To access these documents, click [here](#) or visit our website – [www.wpsk12.com](http://www.wpsk12.com). In addition to these documents, individual teachers may also reach out to their students to share materials.

I also would bring to your attention a newly posted Frequently Asked Questions (FAQs) document that has been posted on the [COVID-19 webpage](#) of the district under the Resources section part way down the page.

Thank you,

Glenn Brand

Superintendent of Schools
